**COMPLETE LED LIGHTING
SOLUTIONS FOR YOUR BUSINESS**

Rebate Recovery Program

Has your business done any kind of
energy efficiency project in the last 4 years?
Did you get all of the incentives available to you?

Federal, state and local money along with utility money is available for
any project that reduces energy usage in your business.

**We are experts at recovering the money due to you. If
you don't claim YOUR money the utility gets to keep it.**

Call Green Source USA, Inc. NOW
and we will get you the money you are due for your energy reduction efforts!

**We are so confident that you have not received all of the money available that
if we don't get you any money back there is NO cost to you!**
